A Game developer. Looking for a career change toward Game development. I hold skills in Unity, Unreal Engine. I have been creating my own projects for this technology. Also have experience in developing Android and iOS apps. I have been awarded TCS Gems for fast learner and currently I am serving my **Notice Period**

EXPERIENCE

12TH OF August 2021 - PRESENT

ASSISTANT SYSTEM ENGINEER, TATA CONSULTANCY SERVICES

Works in Angular framework to develop frontend for an eCommerce site (BJs Wholesale club). Here I have a good digital profile. Received appreciation from team leaders and the client as well. Got Awards for performance and TCS Gems for a Fast Learner.
